

Box-drawers and racks

BOX DRAWERS

Ref. 22104

Whatever the parts to be arranged, the patented system 22104 enables you to organize your storage space according to your needs. This box can be equipped to hold microscopic slides, photographic slides, microcircuits, etc. In stock, black or ivory polystyrene boxes, crystal transparent and black polystyrene lids.

boxes

Ref. 22104 : smooth walls
214 X 108 X 35 mm

Ref. 22104 CR : crenelated walls
210 X 104 X 35 mm

lids

Ref. N 21514 : N lid
215 X 110 X 14 mm

Ref. D 21533 : D lid
215 X 110 X 33 mm
D lid increases box inside height up to 53 mm

KNOCKDOWN RACKS

Overall cell dimension : 230 X 135 X 135 mm

Each cell holds 3 N lid box-drawers, or 2 D lid box-drawers, and consists of 2 vertical plates and 2 horizontal plates. Assembling these racks is fast and does not require any tool. Cells can be added later should the need arise.
